It's a cold and it's a broken hallelujah

*Chorus 3*                    **F**                    **Am**                    **F**                    **C**    **G**

*Verse 4*                    **C**                    **Am**  
 Well there was a time when you let me know  
                          **C**                    **Am**  
 What's really going on below  
                          **F**                    **G**                    **C**                    **G**  
 But now you never show that to me do you

 But re member when I moved in you  
                          **Am**                    **F**  
 And the holy dove was moving too  
                          **G**                    **E7**                    **Am**  
 And every breath we drew was halle- lujah

*Verse 5*                    **C**                    **Am**  
 Well, maybe there's a god above

 But all I've ever learned from love  
                          **F**                    **G**                    **C**                    **G**  
 Was how to shoot some body who out drew you  
**G**  
  
                          **C**                    **F**                    **G**  
 It's not a cry that you hear at night  
                          **Am**                    **F**  
 It's not somebody who's seen the light  
                          **G**                    **E7**                    **Am**

	That's when they say I lost my only friend

	G	D	F#	Bm	D/A		F#
<i>Verse 2</i>	G	D					
	I seen the sun comin' up at the funeral at dawn						
	F#		Bm	D/A			
	The long broken arm of human law						
	G	D					
	Now it always seemed such a waste, she always had a pretty face

<i>Chorus 1</i>	G	D					
	Hey, come on try a little, Nothing is forever

	There's got to be something better than in the middle

	But there's got to be an opening, Somewhere here in front of me						
	F#		Bm	D/A			
	Through this maze of ugliness and greed						

*Verse 4*

And I seen the sun up ahead at the county line bridge  
Sayin' all there's good and nothingness is dead  
We'll run until she's out of breath, She ran until there's nothin' left  
She hit the end, it's just her window ledge

I turn the engine, but the engine doesn't turn  
Well it smells of cheap wine, cigarettes, This place is always such a mess  
Some- times I think I'd like to watch it burn

*Verse 6*

I'm so a- lone and I feel just like some- body else  
Man, I ain't changed, but I know I ain't the same  
But somewhere here in between the city walls of dyin' dreams  
I think of death, it must be killin' me
